**JOB EXPERIENCES**

**SENIOR GRAPHIC  
DESIGNER**  
Apr 2017 – Ongoing

**LYNDEN INCORPORATED - SEATTLE, WA**  
As a Senior Graphic Designer at Lynden Incorporated, I lead the creation of visually compelling and strategically aligned design solutions across a wide range of media. From concept to execution, I design and produce high-impact materials including brochures, advertising campaigns, presentations, videos, trade show displays, and digital interfaces. My work play a key role in communicating Lynden’s brand values and supporting business objectives across internal and external audiences.

**GRAPHIC DESIGNER**  
Jan 2012 – Feb 2016

**WIDEORBIT - SAN FRANCISCO, CA**  
At WideOrbit, I independently led the design and development of a diverse range of physical and digital assets that supported marketing, brand, and business objectives. From initial concept to final execution, I created cohesive visual systems that reinforced brand identity and delivered measurable impact across multiple channels.

**PRODUCTION DESIGNER**  
Oct 2008 – Dec 2011

**STRINGLETTER - RICHMOND, CA**  
At Stringletter, I played a pivotal role in shaping the visual identity of each publication issue by designing editorial features and special advertising sections that balanced creativity with brand consistency. I managed the full production lifecycle—from initial concept development and product photography to final image/video editing, website updates, and the creation of both print and digital marketing assets.
